Dear KrishnaPrasad,

As we discussed, below are my 3 asks which we discussed

1. Kitchen platform to be removed as I'll be laying platform with plywood and later you need lay granite on it.
2. Master bedroom- electrical point to be shifted 3fts right as its blocking the cupboard plan

3. Hall- electrical switch for TV unit requested to place near east wall of hall rather the default design given

Note- cupboard making labour will be staying in the villa only to complete the cupboard work. Allow them to stay

Already villa handover delayed allot so request approve and make the required changes in other 2-3 days please

Ravindar
