STILT FLOOR PLAN - BLOCKS - 7 & 8 (L.I.G. UNITS)

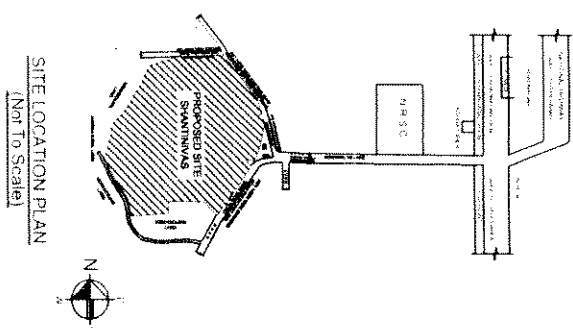

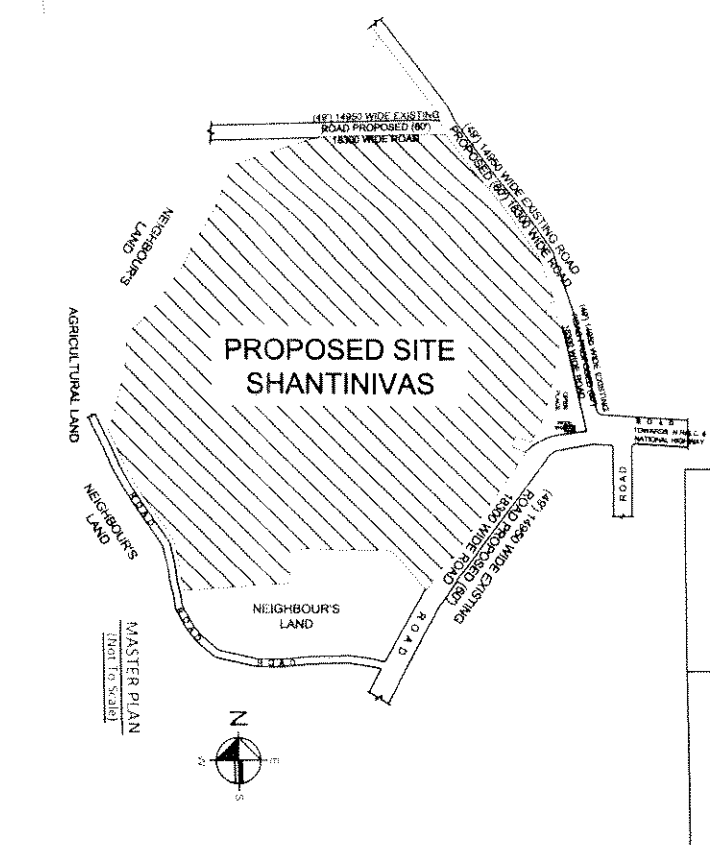

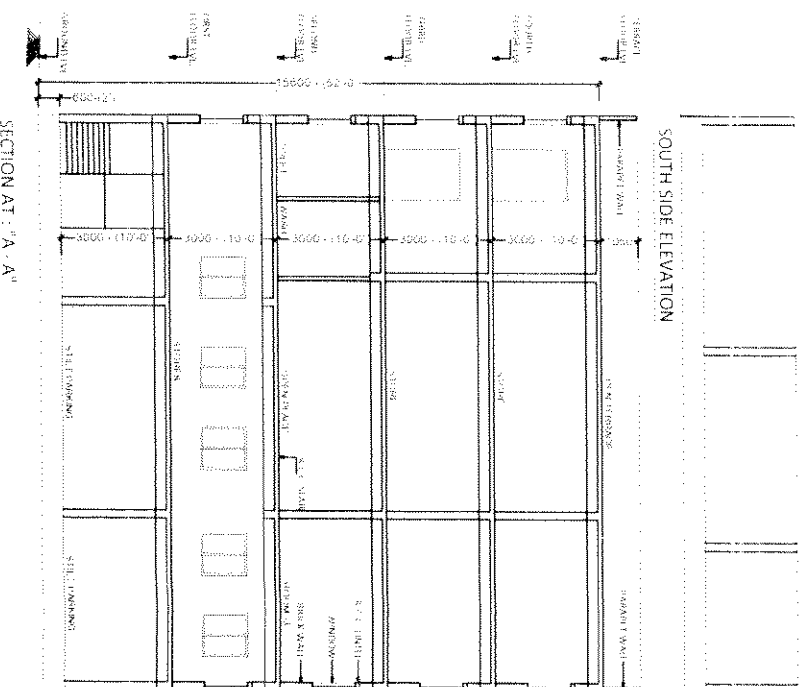

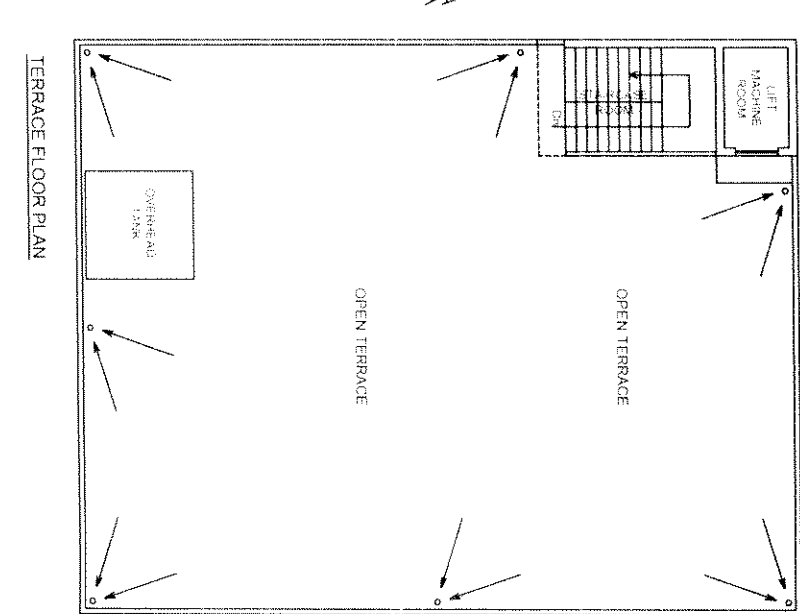

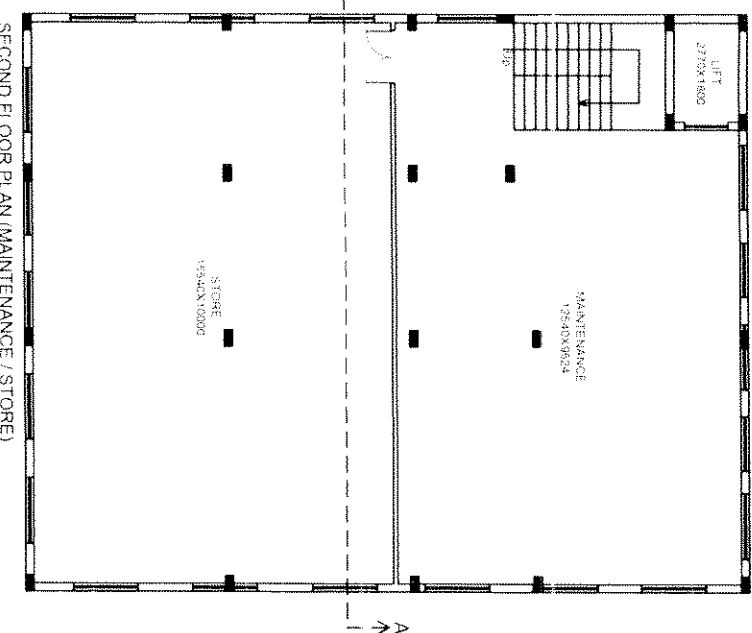

The architectural drawings include the following components:

- SITE LOCATION PLAN:** Shows the project site within its context, including neighboring agricultural land, a proposed site, and a master plan. It also indicates the location of the proposed site relative to the surrounding area.
- TERRACE FLOOR PLAN:** A detailed plan of the terrace level, showing the layout of the terrace, including the terrace area, terrace walls, and terrace openings. It also shows the location of the terrace relative to the surrounding area.
- STILL FLOOR PLAN:** A detailed plan of the still level, showing the layout of the still, including the still area, still walls, and still openings. It also shows the location of the still relative to the surrounding area.
- TYPICAL FLOOR PLAN:** A detailed plan of a typical floor, showing the layout of the floor, including the floor area, floor walls, and floor openings. It also shows the location of the floor relative to the surrounding area.
- SECTION A-A:** A cross-section of the building, showing the internal structure, including the floor, walls, and roof. It also shows the location of the section relative to the surrounding area.
