TO,
THE MANAGING DIRECTOR.

Respected SIR,

As discussed at site regarding the clarification of structural details for plinth beams PB1 and PB2 of A1 and A2 single/double villas are with size PB1 (6"X12") and PB2 (6"X15") where the beam structural details are different from the sizes mentioned / compared to the plans.

Sir, am writing this to convey the information for your kind attention .please guide and advice for further.

Thanking you,

Regards,

Suman kumar, Project manager, AGH.
