Dear Vijay,

Company vehicle has been provided only for construction/admin. office works. last time we have informed you the same thing and moreover as an admin. officer you are the responsible for all site related any vehicles, equipment's, material, stationary and instruments etc.,

Regards,

Jai Kumar

Subject: Regarding company Activa

To MD Sir,

Sub:- (Regarding company two wheeler Honda Activa)

As per request the management has given a two wheeler for local purchases and local works at Miryalaguda for AGH site. But the vehicle is completely used by sales staff, We are using our two wheeler for local purchase and local works.

So we are requesting the management to consider our request for using two wheeler.

Regards

☐ A Vijay Baaskar
