Hi Kavitha, Karan,
there have been a few cheques that have been deposited by you into my accounts. I also see that some of these cheques have bounced. Can you please send me a document with the cheques that have been deposited and also the account transfers that have been done so far into our accounts, so that I can cross check and update you about any discrepancies?
currently these are the withdrawals I see in my account statement due to bounced cheques:

In account: **50200019616015**

19th May 2017	CHQ DEP RET CHG-290417 070517	115 rs
19th May 2017	CHQ DEP RET CHG-030217 070517	115 rs

In account: **50200018901209**
