Mr keerthi

please contact Mr venkat Rao send the details to him as i already informed him about the testing requirement at the miryalaguda. it would be nice to go through Mr Kanaka Rao as he knows him very well and previously some testing were carried out at our different sites.

his number is + 91 9347275255

if he is not responding kindly speak to Mr SHIRISH HE IS HAVING ANOTHER soil consultant number . it would be appropriate to have both quotes for finalization. hope you follow it.

Thank you & Regards
