Hi Sir ,

The drawing attached, shows the locations on-site, where the soil testing pits are to be excavated.

Pits of size 5' x 5' x 7' are to be excavated in marked locations before the 22nd January, 2017 (date of project launch), as Mr.Dattatreya (Structural Engg.) will be visiting the site on 22/01/2017.

Please find the drawing attached .

Note: Please find drawing in .pdf format as well as .dwg format.

Regards,

Madhav Bhatt
