

Subject: Rates for specialty tiles

Key words: specialty tiles, additions & alterations

At Mayflower Platinum we have given customer an option to upgrade tiles in their flats. 2 types of tiles from Nitco of size 800mm x 1,600mm were ordered and several customers have opted for these tiles. These customers have agreed to pay addition of cost of Rs. 60/- per sft for the upgrade.

Seeing the positive response from customers we have ordered several specialty tiles and customers will be given a choice to upgrade their tiles at the following cost. Note: we are trying to provide these tiles at cost to cost for the benefit of the customer. Difference of 2 x2 vitrified tiles @ Rs. 35/- + 10% wastage and additional laying charges has been considered for additional charges.

Sl. No.	tile type	Company	size,	additional charge for tile	additional charge for laying, fixing & shifting	total additional charges for upgrade
