The District Collector,  
Medchal-Malkajgiri Dist.

Date: 26-April-2021.

Dear sir / Madam,

Sub: Land conversion (NALA)

This is to submit that we are in possession of about Ac. 0:14 Gts of land in Sy. No. 75,77,78,79, & 96 at Rampally village, Keesara Mandal, Medhcal-Malkajgiri Dist.

We have approached MRO-Keesara for land conversion (NALA) and submitted the required application along with Mee-Seva receipt dt. 16.12.2020, much before "Dharani" was introduced along with all requisite documents including Sale Deed; Pahanis; Patta Pass Book (old); etc.,

Our representatives visited MRO office several times, however, there has been no response from MRO office concerned. With the introduction of Dharani, the MRO office is requesting us to apply in Dharani Portal. Since, they have asked us to apply in Dharani, old pass books are not accepted and new pass books are not issued to us. As, the land in said survey numbers is showing as plots, it is not shown in Dharani portal.

Subsequently, in Dharani portal, we have submitted our grievance in Land Matters vide registration No. LM2100013522 dt. 10-Feb-2021. Your good office has sought information from MRO-Keesara, however till now, we have not received any communication.

Upon enquiry, the MRO office is now informing that, the older version of land matters is not existing and asking us to apply in new options in Dharani. Since, our said survey numbers are not displayed in Dharani portal, we cannot apply.

We have also submitted application in MRO-Keesara for survey of land in Sy. No. 75,77,78,79 & 96 vide mee-seva Receipt No. TTDER022100634805 dt. 15.04.2021.

You are requested to kindly look into the matter and an early action in this regard is highly appreciated.

Thanking you,

Yours sincerely,  
For M/s. Modi & Modi Constructions,
