A cartoon-style illustration of a hospital building. The building is light blue with a dark blue roof. On the roof, there is a white square sign with a blue border and a blue 'H' inside. The building has two rows of five square windows each, with blue frames. In front of the building are two green bushes. To the right of the building, an ambulance is parked. The ambulance is white with a red cross on its side and the word 'AMBULANCE' written in black. It has a blue cab and black wheels. The background is a light gray and white checkerboard pattern.
