Ref : Sanction for Rs. 5 Crores loan vide your letter dated 7th April 2014

Dear Sir,

Construction of a posh site office for sales has been completed. Excavation and site leveling is completed to an extent of 70%. Front side compound wall work is completed. Five slabs of A block have been completed.

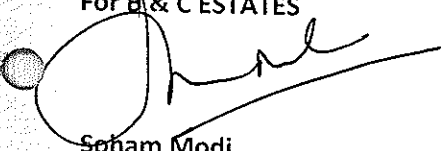

The speed of work has substantially increased and response from potential customers is very good.

About Rs. 9.02 crore are receivable from existing sales. However, payments are due only at the stage of casting each slab. Therefore, we require Rs. 100 lakhs to be released immediately. It will help us cast two more slabs and complete the model flats work. Typically, sales rise once the model flats are completed. Our target is to complete the model flats in Nov'14

We request you to release the next tranche of Rs. 100 lakhs immediately.

Thanking you,

Yours Faithfully,
For B & C ESTATES
