Respected soham sir,

Please accept this email as a notification of my resignation.

Sir, I would like to thank you for the opportunity to work as Asst.Eng at GVRC site.

The reason for my departure is because I have decided to continue my higher studies, and unable to manage both. I am unable to handle the pressure at site.

Please be assured that I have thought much about my decision and this was purely career oriented one, and can't work in the site.

I sincerely apologize for this sir, I kindly request you to please accept.

Yours Sincerely,

Harini. P.
