To,

Soham sir,

Mr. Afthar Ayub disorganization showed up through a lack of discipline in managing his calendar, "As a result, he is disappointing his team members by unexpected leaves and permissions.

Management should take a decision in his matter.

Regards,

Jai Kumar

This is for your information, that Afthar from last four days is coming to site at 3pm and leaving site at 4:45 pm in between yesterday and day before yesterday he was absent.  
His contribution and dedication towards site work is zero.
