UltraTech Cement Limited

503, 5th Floor, Aditya Trade Centre, Ameerpet, Hyderabad-500 038. Ph:66430430, Fax:66430440.

24 X 7 - Customer Support Center: 9948012000 / 9948112000.

Delivery:

- The supplies will be made on volumetric basis as per reports generated by our computer and will be charged accordingly.
- We would request you to give us a schedule of 7-10 days in advance to enable smooth execution of the operation; we shall accommodate your valued orders on shorter notice also, subject to availability of the requested time / date.
- We will not be able to supply during traffic restriction hours fixed by Govt during above mentioned contract period. At present it is 7:00 am to 11.30 am & 4.00 pm to 8.00 pm. In case you insist for supply during traffic restriction hours you will have provide us the permission from the Government to ply the trucks from our plant to your sites and in case of any expenses through fine / penalty charged by the traffic police will be at your account.
- Minimum quantity for supplies on dumping basis is 6 cu.m and pumping is 30 cu.m
- For the RMC supply, our responsibility is to send RMC material at site. Once the material has reached the site, the pouring of material can be done as per your advice.
- However, we do not own any responsibility for damage / theft of any equipment or injury or any loss to human on this account. Our scope is limited to supply of RMC and rest responsibility lies with the customer who had placed the order for the supply of RMC.
- Due to unforeseen circumstances beyond our control, if we could not execute the program on the scheduled day, we will not be liable to pay any compensation towards that planned schedule
- Since concrete is a perishable item, any unutilized concrete, after the truck has left our premises would be chargeable to you. Vehicles should not be detained more than 1 hour from reaching the site. For retention more than 1 hr Rs.200/- per cu.m retention charges will be to your account for each hour delay.
- The shuttering should be proper to with-stand pumping pressure. Any loss of material, injuries to persons due to de-shuttering would be to your account.
- We shall be provided with good serviceable roads inside the project for plying the vehicles.

Quality:

- The normal slump for the pumped concrete will be maintained at 120 ± 25 mm. Any change in requirement of workability will be as per pre-agreed terms.
- The testing of concrete will be carried out as per the relevant Indian Standards, at our plant laboratory and at a frequency as per codal provisions or as mutually agreed with the customer.
- We offer free testing of the concrete with the facilities available at our in house laboratory.
- The cube sampling and casting should be as per relevant IS codes.
- We do not accept cube test results from any other laboratory if the sampling, casting and curing is not discussed not handled by us jointly. Such third party tests shall be considered valid only if the samples are signed by us and testing machine is properly calibrated and we witness such testing. We encourage our customers to witness any such test in our laboratory.
- The spreading, compaction, finishing and curing of concrete is in customers scope of work.
- The timely curing of the concrete is the responsibility of the customer and we recommend to cover the freshly laid concrete surface without any delay, as rapid and excessive loss of water might result in plastic shrinkage cracking of concrete surface. Only good care while compacting and finishing can take care to control plastic shrinkage cracking.
- UltraTech Concrete is no way responsible for any plastic shrinkage or settlement cracks, drying shrinkage cracks and restraining cracks nor shall entertain any claim for repair, as these occur due to improper handling of concrete during casting of structures and lack of crack control mechanisms like contraction joints, additional reinforcement, early curing etc. in application which is beyond our scope.
- Please refer to our "Handling of fresh concrete" brochure for further information.

Other terms:

- Any statutory increase on present duties/ levies by Central /State Govt. on Raw materials like Sales Tax, Royalty etc, would be charged to the amount proportionate to the raw material in the mix.
- For any further increase of diesel prices for every Re.1/- hike an additional price increase of Rs 25/- per cum will be affected from the date of hike of diesel price.
- Any statutory increase in duties/levies on Ready Mix Concrete by Central/State govt. would be charged as applicable.
- The customer shall ensure an authorized person to acknowledge receipt of concrete.
- If the payment is delayed beyond the credit period, interest @ 18% per annum will be charged from the date of supply
- Standard clauses of Force de Majeure apply.
- We reserve our right for delay in supply or no supply due to reasons beyond our control such as Plant breakdown, pump breakdown, Strikes, Road Roko, Traffic diversions, Rain, Public meeting,. Etc.
- This offer invalidates any previous offer.
